EUROPSAN ITEMS.

Napoleon's Visit to Victoria.

The English papers are crowd with a counts of the ever-memorable and ever-to-remembered visit of Napoleon 111 and his wife to the Queen of England. Omitting the embellishments, the facts of the case are, that on Monday, the 16th, Napoleon Il I and the Empress Engenie ar-rived at Dover-theuce to Windsor-remained the guests of the British Sovereign five days-met with a distinguished reception from the Court, and extraordinary enthusiastic groeting from the crowd

were slmost overwhelmed by congratulatory a biresses from corporations and institutions—and returned to Franco a-mid a tempest of hurrans!

Through a Donse Fog. On Monday morning, says our report, thousands were assembled at Dover "to give the ungust visitors a hearty English reception." At 9 o'clock, the Emperor, Empress, and suite, embarked at Calais on bound the exercise an Palican and about Empress, and suite, embarked at Calais on hoard the screw-steam Pelican and about noon steined slowly through a denso fog, and under salute from ships of war and batteries, ren leved invisible by the thick weather, into Dover Harbor. Prince Albert was on hand to receive his guests, and was accompanied by his usual atteured anterior of dants, and by the French Minister, Count Walewski, with Madame la Comtesse. The Walewski, with Madame la Comtesse. The Empress and myself, to which you, my Walewski, with Madame la Comtesse. The Bassano, Count the Montebello and other gentlement; the Empress by several ladies of the revisible to the Address was in the following terms:

My Lord Mayor: After the cordial raception I have experienced from the Quieen, nothing could affect me more deeply than the sentiments toward the Empress and myself, to which you, my Lord Mayor, have given expression on the part of the City of London; for London ther household.

How Louis and Eugenie were

ferred on the Emperor the investure of the Garter. A grand chapter of the Order was held at Windsor, and the formalities which accompany the presentation of the piece of riband were duly gone through. The Queen buckled the garter around the Emperor's leg, and placed the riband across his shoulders. A grand chapter of the riband across his shoulders. A grand chapter of the riband across his shoulders. A grand chapter of the riband across his shoulders. A grand chapter of the riband across his shoulders. On Saturday their Majesties returned

All hopes of Austria taking the field against Russia appear to be at an end for
the present. Among the conflicting rumore, that which appeared to bear the
most consistency was, that Austria refuses to demand from Russia any conces-

cions further than three three:
1st. The Russian fleet in the Black Sea to remain in statu quo. It is stated at present to consist of three ships of the line

a d four steam frigstes.
21. The Western Powers to have Con-

suls at Sevastopol, who are to be under the immediate protection of their Minis-ters residing at St. I'etersburgh. 34. The Allies to bave the right to ennstruct war points on some part of the

Turkish const. The Bombardment of Sevastopol. Fire from a'l the French and English batteries was opened upon Sevastopel on the 8th. On the 10th both the French and English viewed the hombardment as effective; but nothing decisive had ec-curred to warrant a conclusion as to the immediate issue. The French left batters iss had made e breach in the Indented wall; the two fronts in the last sreated Russian battery were much injured, and one of the Russian work of counter ap-

either to our religion or our liberties.
"We are Protestants generally spenking; but you all know that there presides at the head of the Supreme Judicisry of the I'nited States & Roman Catholie: and no man, I suppose, through the whole Unined States, imagines that the judicature is less safe—that the administration of publie justice is less secure, because the Chief Justice of the United States has been und is a firm adherent of that reli-

giou. And so it is in every department of suciety unlong us, "In both houses of Congress, in all above human law; that it is a question to be settled between him and his Maker for adopting or rejecting revealed truth.

"And were is the great distinction which is sometimes overlokel, and which I nm afraid is now too often overlooked.

DANIEL WEBSTER."

Trifies

"Triftes are to the feeling heart,
Df greater worth, than India's richest geme
"Triftes male the sum of humas life"
"Triftes are to the jesious mind like,
Life confirmations arong as Itoly Writ"

What call yo trides? Oh tell to ma.
Of the things of Earth, of Air, of Sea?
For in this wide world, all things to me,
Are fraught with beauty and myst ry,

A flower! a trifle is to some, Yet at its bidding doth oft-times come, Welling from out the innest heart, Thoughts with beauty and goodness fraugh

A bird! its a tribe that warbled tone, Yet I known is moments of cara. The pleasant search of a bird's voice, To till the beart with loving prayer;

A word, a sigh, a smile, a tear.

Are trible I went to the minds of some,
But oh what volumes they que and read!

And in their training what wonders come!

A enumer's day, a whiter's eve— A midnight sky, and golden etar, Doth search the edls of memory— And scenes of bliss doth make or mari

TARENOTICE.

John W. Murphy of Lexington, is a putherized Agent and collected for literal.

(From the E ston Traveler.) A Marria; e under Protest.

Miss Lice Stone, the goungels by who has frequently made her applicance open the anni-slavery restricts in this city, was married on May-day, at 'a faim-house among the hills of West Brooks field," to Henry B. Backwoll, a lader in neld." To Henry B. Brackwell, a leader in the western and slavery movement. The marriage coremony was performed by M. F. W. Higgmon, of Wincester, the passing the laws of the Commonwealth competing marriage. Mr. Higgins a communicates the protest to the Worcest Par Gold & Silver Watches by Par as follows: or thy as follows:

er thy as follows:

"I never perform the marriage coronics

by without a renewed sense of the iniq
nity of our present system of laws, in respect to marriage;—a system by which 'man and write a cone, and that into the huabands'. It was with my hearty concourience, therefore, that the following protest was read and aigned, as a part of the nuptial ceremony, and I send it to you, that others may be induced to do likewis.

T. W. H.

While we acknowledge our mutual af-While we acknowledge our mutual affection, by publicly assuming the sacred relationship of husband and wife, yet in justice to ourselves and a great principle, we deem it a duty to declars that this act on our part implies no sauction of nor promise of voluntary abedience to such of the present laws of marriage as refuse to racognise the wife as an independent various being while they confer mun the rational being, while they confer upon the husband a injurieus and unnatural su-periority, luvesting him with legal pow-ers which no honerable man would exer-ciae, and which no man should pna-

(Signed.) HENRY B. BLACKWELL. LUCY. STONE.

her industry, remarking, at the same time, "You see Charles, that I have not time, "You see Charlea, that I have not been idle, and if you had been half as industrious as your brother over the way, I should now have 60,000."

I should now have 60,000."

Tare Petiters—A groot and good menone speaking of politeness, said: "I make it's point utmershity nevor to find fault with another for his manners, they may be awkward or graceful, blunt of polite polished or rustle. I care not what they are if the man means well an acts frym houses in tending, without exempticity of affection. All man have not the savantage of "good society," as it called, to school themselvestu all its fantasis rules and coronemias, and if there is any standard or seasoners, it is only founded in reason and good sense, and not upon the artificial regulotions. Manners, like convarsation, should be attemporaneous, and not upon the artificial regulotions. Manners, like convarsation, should be attemporaneous, and not upon the artificial regulotions. Manners, like convarsation, should be attemporaneous, and the like as an a pressel tast of the hand diviams the (it may be rough) grip of the hand and the carries and of recognilides, and who need and the carries and of recognilides, and who need and the carries and of recognilides, and who need and the carries and of recognilides, and who need as a requirers, the homely salutation—"How are yen aged friend?"
